

HT-Satellite-BT

Portable USB and Bluetooth
Conference Speakerphone

FEATURES

- Quick and easy connection using either USB or Bluetooth.
- Powerful Mic array with omni-directional pickup, unique automatic echo cancellation and noise reduction.
- Plug and Play compatibility for Window, Mac OS, and Android, also UC platforms like Zoom, WebEx, Teams, etc.
- Long battery life (up to 10h).
- Clear audio for up to 6 participants.

DESCRIPTION

The HT-Satellite-BT is a portable USB and wireless Bluetooth speakerphone. It allows everyone to hear the sound in a small meeting room during conference calls and is compatible with all major UC platforms including Microsoft Teams, WebEx by Cisco, Google Meet, and Zoom. The compact sleek design allows for use at home, in the office, and in the hotel during travel.

With a 360-degree 4x Mic array that picks up sound from any angle, built-in echo cancellation, active background noise reduction and speech enhancement, HT-Satellite-BT offers excellent meeting performance.
