# HT-SATELLITE-CM-MNT

Ceiling Microphone Pole Mount

## USER MANUAL

June 5, 2024

# Introduction

---

## OVERVIEW

HT-SATELLITE-CM-MNT is a telescoping aluminum alloy pole, used to mount the HT-SATELLITE-CM ceiling microphone in rooms with open or high ceilings. Cat6 cables for connecting the microphone can easily be routed in the hollow pole and out the opening at the end of the pole, keeping installations clean from hanging cables.

## FEATURES

- Aluminum alloy telescoping pole
- Extends from approximately 8" to 16" (20 to 40cm)
- Contains and prevents cables from exposure

# Specifications

---
