

Introduction

The Atlona LinkConnect™ AT-LC-UC2UC-5M is a 5 meter (16.4 feet) USB-C® to USB-C active cable that provides reliable, consistent AV performance. The LinkConnect family of cables includes a comprehensive range of options for connector type, length, and budget, so it's easy to customize to fit any application.

Key Features

USB-C to USB-C cable

- 5 meter (16.4 feet) length. Ideal for Atlona switchers with USB-C inputs for AV, USB data, and power. High-performance copper cable construction with active circuitry to ensure high-frequency signal integrity.
- Engineered for dependable, point-to-point connectivity in commercial AV installations.

Compatible with USB 3.2 Gen 2 specification

- Supports data rates up to 10 Gbps. DisplayPort™ 1.4 Alt Mode – 4K @ 60 Hz over two lanes, 8K @ 60 Hz over four lanes.
- Supports device charging up to 100 watts @ 5 amps

Locking USB-C connector

- Ensures a secure cable connection to select Atlona AV equipment with USB-C ports.
- Prevents reliability issues associated with poor cable connections to AV switchers.

Specifications

Bandwidth	10 Gbps
Video	Video: up to 4Kx2K VESA: up to 2560x2048
Audio	Passes through up to Dolby® Digital, DTS® 5.1, Dolby Digital Plus™, Dolby TrueHD, DTS-HD Master Audio™, Dolby Atmos®, DTS:X®
Length	5 m (16.4 ft)
Cable Diameter	5.3 mm (0.21 in)
Jacket Material	PVC
Connector	Nickel-plated
Bend Radius	31.8 mm
Output Current and Voltage	5A / 20V / 100W
